[Approved by Governor September 30, 2006. Filed with

LEGISLATIVE COUNSEL'S DIGEST

AB 1102, Hancock. Marriage.

Existing law provides that marriage is a personal relation arising out of a civil contract between a man and a woman, and requires the licensure and solemnization thereof. Existing law provides for the issuance of marriage and confidential marriage licenses and sets the fees thereof. Existing law further imposes duties on county clerks in that connection, as specified.

This bill would, operative January 1, 2008, revise and recast those provisions and related terms. Among other things, the bill would conform various statutory provisions of law to those changes. The bill would further regulate the issuance of confidential marriage licenses based upon an inability of the parties to appear, as specified, and would make related changes with regard to notaries public and the State Registrar. In issuing a duplicate marriage license or confidential marriage license, the bill would allow the county clerk to charge any fee to cover the actual costs of issuing that duplicate license, and would change the fee charged notaries public for approval to issue confidential marriage licenses to \$300. Operative January 1, 2007, the bill would also allow an applicant, witness, or person solemnizing or performing a marriage ceremony to use his or her business address or post office box for purposes of the certificate of registry or marriage license.

By adding to the duties of county employees to comply with the above-described changes, this bill would impose a state-mandated local program.

This bill would incorporate additional changes in Section 358 of the Family Code, proposed by AB 2051, to be operative January 1, 2007, only

if AB 2051 and this bill are both chaptered and become effective on or before January 1, 2007, and this bill is chaptered last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 300 of the Family Code is amended to read:

300. (a) Marriage is a personal relation arising out of a civil contract between a man and a woman, to which the consent of the parties capable of making that contract is necessary. Consent alone does not constitute marriage. Consent must be followed by the issuance of a license and solemnization as authorized by this division, except as provided by Section 425 and Part 4 (commencing with Section 500).

(b) For purposes of this part, the document issued by the county clerk is a marriage license until it is registered with the county recorder, at which time the license becomes a marriage certificate.

SEC. 2. Section 302 of the Family Code is amended to read:

302. (a) An unmarried male or female under the age of 18 years is capable of consenting to and consummating marriage upon obtaining a court order granting permission to the underage person or persons to marry.

(b) The court order and written consent of the parents of each underage person, or of one of the parents or the guardian of each underage person shall be filed with the clerk of the court, and a certified copy of the order shall be presented to the county clerk at the time the marriage license is issued.

SEC. 3. Section 303 of the Family Code is amended to read:

303. If it appears to the satisfaction of the court by application of a minor that the minor requires a written consent to marry and that the minor has no parent or has no parent capable of consenting, the court may make an order consenting to the issuance of a marriage license and granting permission to the minor to marry. The order shall be filed with the clerk of the court and a certified copy of the order shall be presented to the county clerk at the time the marriage license is issued.

SEC. 4. Section 306 of the Family Code is amended to read:

306. Except as provided in Section 307, a marriage shall be licensed, solemnized, and authenticated, and the authenticated marriage license shall be returned to the county recorder of the county where the marriage license was issued, as provided in this part. Noncompliance with this part by a nonparty to the marriage does not invalidate the marriage.

SEC. 5. Section 307 of the Family Code is amended to read:

307. This division, so far as it relates to the solemnizing of marriage, is not applicable to members of a particular religious society or denomination not having clergy for the purpose of solemnizing marriage or entering the marriage relation, if all of the following requirements are met:

(a) The parties to the marriage sign and endorse on the form prescribed by the State Department of Health Services, showing all of the following:

(1) The fact, time, and place of entering into the marriage.

(2) The printed names, signatures, and mailing addresses of two witnesses to the ceremony.

(3) The religious society or denomination of the parties to the marriage, and that the marriage was entered into in accordance with the rules and customs of that religious society or denomination. The statement of the parties to the marriage that the marriage was entered into in accordance with the rules and customs of the religious society or denomination is conclusively presumed to be true.

(b) The License and Certificate of Non-Clergy Marriage, endorsed pursuant to subdivision (a), is returned to the county recorder of the county in which the license was issued within 10 days after the ceremony.

SEC. 6. Section 309 of the Family Code is amended to read:
